Synopsis

How To Color Adult Coloring Books - Adult Coloring 101. Do you like cats? And want to learn simple color pencil techniques fast? - Then this book is for you :) • I'm just saving those for a special occasion •. • They are too hard to color. • I don't know where to start! •. Are your coloring books still sitting on the shelf? Have you had a creative block? It's when you open a coloring book, flip through black and white pages and just put the book back on the shelf. You don't have to be overwhelmed, frustrated, or feel like you have to do some hard work. Those are the very feelings we want to escape when picking up a coloring book in the first place. Coloring was supposed to be easy and fun, right..? Adult coloring books became so popular these days. Many of us has now bought enough coloring books to gather a mini collection which would last for a year of daily coloring. But here is the thing: most of us, grown-ups, have no idea how to color! • So how do I color? • - this is the number one question asked by people who pick up a coloring book. Adults want need examples, a step by step guide, or even a short crash course in coloring. That's just how adult brain works. Sometimes we have no more than half an hour to spare. When you don't know where to start, it becomes frustrating. When you have to put in a lot of thinking and effort into something that was supposed to be fun, this whole coloring thing becomes not that exciting anymore. This book provides easy to follow, step-by-step examples, and coloring basics. Get a walk through the coloring process with an artist. Customer Reviews

I have always loved to color, from the time I was able to pick up a crayon until now. Long before it became a trend, I have been coloring as a way to reduce stress. I would doodle with a black pen while I was on the phone (which is what I do for work at a call center) and then after I had a page full I would fill in with colored pencils. Now that "Adult Coloring Books" have become a trend, I have started finding more and more books available. I was a bit skeptical about being able to print from a kindle book, but there was a PDF file included that you can print from. You can choose to print one or two or the whole book multiple times. It is a book with low resolution images of coloring pages. Once you have the PDF, you can print the images and color away! I chose to print at home on regular copier paper and color one image at a time. It's great that you can use the same design and color many different ways if you wish. I have made my daughter (she's 13) a binder with a bunch of printouts from this and several other books and a pencil pouch with coloring pencils so she can take it wherever she wants. In regards to the designs, there are many designs that vary significantly in detail and complexity. Again, I see this as a positive since if I have less time on my hands, I can do a simpler design or I can share it with nephew to color. But, if I have more time on my hands or I really want to escape and relax into some coloring meditation for a while, I can choose a more complex design. I REALLY like the idea of a PDF that can be downloaded and the flexibility it provides for lots of fun family coloring. I'll definitely be checking to see if there are any other books available by this artist in the future.
