The Unofficial Guide To Walt Disney World 2017

Synopsis

Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Walt Disney World digs deeper and offers more than any other guide. The Unofficial Guide to Walt Disney World explains how Walt Disney World works and how to use that knowledge to make every minute and every dollar of your vacation count. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of travel by unambiguously rating and ranking everything from hotels, restaurants, and attractions to rental car companies. With an Unofficial Guide in hand, and authors Bob Sehlinger and Len Testa as guides, find out what's available in every category, from best to worst, and use step-by-step detailed plans to help make the most of your time at Walt Disney World.

Customer Reviews

I actually love the "Unofficial Guide" series but I just received my copy of the 2017 edition for WDW and noticed that the clip out Touring Plans at the back of the book are using last years maps with this year's touring plans. In other words, the numbers on the touring plans do not match the numbers on the maps. It may just be my copy or it might be a more serious problem with the proofs or the printers. If this gets fixed, I would give this 5+ stars. I only rated 2 stars to get attention. The "Unofficial Guide" series is not only well research but written with a refreshing candor and sense of humor that one wishes were in other guides. The centerpiece of the series devoted to theme parks is the Touring Plan, which prescribes the order of rides and attractions to visit in order to maximize

your enjoyment of the park by minimizing waiting in lines. The authors also describe in great detail not just the rides, attractions, fright potential, and guest feedback stemming from years of research and practical experience but also lavish the same detail on virtually every aspect of the typical Orlando vacation including ratings/descriptions of hotels both on WDW property and off but off property restaurant alternatives and transportation. There is info about reasonably priced grocery stores, bonded baby sitting services, and even emergency car and health care. But, beyond the travel guide aspect, the authors give a healthy dose of reality check in their advice about physical and psychological conditioning necessary for getting the most (or avoiding the worst) from visiting the happiest place on earth. Best of all, the writing is refreshingly candid and as unafraid to be critical when the Mouse's offerings are lacking as ready to assign praise when merited.
