# On Fire: The 7 Choices To Ignite A Radically Inspired Life

## Synopsis

In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey his family, the medical staff, and total strangers changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events the inflection points in our lives that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

## Book Information

Hardcover: 288 pages

Publisher: North Star Way (March 15, 2016)

Language: English

ISBN-10: 1501117726

ISBN-13: 978-1501117725

Product Dimensions: 6 x 1 x 9 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars See all reviews (301 customer reviews)

Dieting > Mental Health > Happiness #39 inÂ Books > Business & Money > Business Culture > Motivation & Self-Improvement #44 inÂ Books > Business & Money > Management & Leadership > Motivational

## Customer Reviews

My sister, Mary, recently gave me a copy of the book, *On Fire*, by John O'Leary, and encouraged me to read it. I had heard of John O'Leary. 100% of his body was badly burned in a home fire in 1987. He eventually went on to become a motivational speaker. I hesitated to read his book earlier because I've read books by people who had been through some type of horrific experience and most of the time I found that the book was very narrow in scope and had little practical, relevant value for the reader other than the idea that people can overcome tremendous obstacles. *On Fire* is completely different than that. I would put this book on a par with Man's Search for Meaning by Victor Frankl, who survived the Nazi concentration camps in the 1940s and went on to write this classic book about the power of having a purpose that can sustain a person through terrible conditions. O'Leary does a masterful job of mining out many stories from his life that challenge the reader to focus on two things: purpose and choices. Purpose and Choices In any situation at work or at home or in your community or with your friends, what is your purpose? Undoubtedly it will be different from group to group and from one situation to the next. Without a sense of purpose of why you are doing or saying whatever you're doing or saying, you can easily fall into patterns of behaving and speaking that don't fit with what you really want to do or say. Once you know your purpose, you can choose which path you want to go in each situation.
