Customer Reviews

While some of the magic tricks aren't easy to do, the oneliners and body language parts are vital to someone trying to be social. The good thing about this book is that it isn't just to pick up girls, but also for people who want to make friends and have a good time at the bar. If you can get it on sale, definitely pick up.

Returning this right now. I bought this because I love magic and thought this was up close magic book with a tongue in cheek title. No, this guy really approaches this book not as an ice breaker but he really thinks a guy can pick up chicks by reading his book. Comes complete with cheesy pick up lines and even set ups for your "Wingman". Who says wingman anymore. If you like magic buy a legit magic book but this ain't it.

I thought this book was really cool! First off it is organized really well and has funny "sexual innuendo" titles for the chapters, which I thought were rather clever. It has lots of cool tricks (simple and quick to more involved ones...such as including a wingman), some pretty sweet bar bets, and even a section on body language. Even if you don't want to "Pick Up Chicks", this is just a really neat book to own. It's totally worth the money. I'd definitely buy it again. In fact, I think I'll be buying several of these to give out as X-mas gifts this year. Some of my friends and relatives will LOVE this kind of thing...especially the college-age ones!PS. THIS BOOK HAS BASICALLY ALREADY PAID FOR ITSELF...CONSIDERING THE DRINKS I'VE WON USING SOME OF THE "BAR BETS" I'M ACTUALLY AHEAD...AND I'M SURE TO WIN MORE IN THE FUTURE!!!

While intended to aid a guy in impressing the ladies, this book can really help anyone feel more comfortable in social situations. Some of the tricks are easy enough to pick up in one try and can really help break the ice and get the laughter going. I'd recommend it to anyone wanting to feel more confident around people.

This is a great book for anyone who wants to break the ice, or start a conversation with someone. I really enjoy Rich Ferguson's work, and this would be a great gift for anyone! Tricks to Pick Up Chicks: Magic Tricks, Lines, Bets, Scams and Psychology

I highly recommend this book. I have followed Rich Ferguson's work over the years and he is hilarious. The one-liners and come-backs in this book are my favorites. If you are looking for a way to break awkward silences in bar setting or anywhere-- this is your book!

i loved this book. the author is seriously a body language genius, and his tricks are great! after reading, i feel like i could better understand what i was up against when encountering my lady. a little confidence booster and i highly recommend it for all you guys out there...

If you are looking for a book to pick up chicks this isn't the best to start out with. However this book has loads of material. Some are more entertaining than others but you have to know when and where to use them. This book definitely has more DHV outlined than any other books though.
