# Oral Pharmacology For The Dental Hygienist

## Synopsis

A comprehensive oral pharmacology book that reviews the principles of pharmacology and their application to dental hygiene practice. Extremely practical, this book discusses many oral manifestations of drugs that the dental hygiene student should be aware of. Quick drug guides in the beginning of each chapter, fun facts, and unique rapid dental hints within each chapter help the reader understand different pharmacologic principles while reinforcing key information. Case studies extensively review the medical conditions, potential drug interactions and dental management of these interactions. Readers will easily be able to apply information learned from the book to everyday dental hygiene practice.

## Book Information

Paperback: 544 pages

Publisher: Pearson; 1 edition (September 27, 2007)

Language: English

ISBN-10: 0130492868

ISBN-13: 978-0130492869

Product Dimensions: 7.9 x 1.3 x 9.8 inches

Shipping Weight: 2.4 pounds

Average Customer Review: 3.0 out of 5 stars See all reviews (1 customer review)

## Customer Reviews

I am very critical of the conditions of my books. I understand that these are used books, but when the condition is said to be good as new, I expected it to be just that. But it wasn't.
