# Sex Positions & Dirty Talk Examples: Two Books In One: The Best Sex Positions Ever, How To Talk Dirty, And Kama Sutra

## Synopsis

For many of us, Kama Sutra is still a mysterious and hidden manual for lovemaking that could provide us with the secrets to infinite orgasms and long, prosperous relationships. In reality, the Kama Sutra is a much subtler and more spiritual text than that, which has sometimes been lost in our modern approach to it. In this book, the spiritual element of the original Kama Sutra that promotes closeness and true intimacy is coupled with our modern love of experimentation and sex positivity - creating a fun and streamlined approach to the Kama Sutra that is easy to follow, inspiring, and full of exciting tips and positions to send your partner wild. Discover the rich history of the Kama Sutra and how its original intentions can give a kick to your love life while also teaching you how to respect your partner and truly explore him or her - in every sense possible. Teach yourself how to be more present with a lover so you can have a deeper connection and understand his or her physical and mental needs. Learn about 40 unique and inviting positions for you to try with a partner as well as tips for success and making sure the positions work for you. Dirty talk is something we all love in the throes of passion - even if we don't admit it - but it's also something we aren't all great at. Many of us have tried and found ourselves blushing when our partner laughed at our attempt. However, dirty talk is an important part of lovemaking, and, when used well, it can bring us closer together and open up a relationship to exciting new avenues and more ferocious highs.

## Customer Reviews

I would recommend this book if you are looking for an effective way to gain some insight on your long lived questions while gaining knowledge on ways that can actually help you succeed with achieving habits that indirectly make you more sexual, attract the opposite sex effortlessly, get more

sex positions and examples.

Just the thing I needed. This book has some great sexual positions that you can actually do in bed without being an acrobat or bending out of shape. It is a good way to spice things up a little and have some fun with your partner. Not every position will suit everybody, but there is enough variety. The illustrations are tasteful and not explicit at all so I recommend it for sure. The other book in this bundle is Dirty Talk. I already have that one so I knew what it is about and I like that one too, but sex positions book is more my preferred taste.

Back me my romantic relationship with my hubby..i learn many thing from this book such as The Importance of a Healthy Sexual Relationship in a Couple, Keep the Sexual Relationship Healt , Top Sexual Positions and How to Do Them, The G-Spot Stimulating Sex Position, The Lotus Sex Position, Cowgirl Sex Position and many other important information's .thanks Amanda Franklin for this nice book. I recommend the book, especially if you have not previously faced similar guidelines.

Sex life is not just for pleasure. Sex between two people can directly affect their mood, happiness, and relationship. The different types of sex that most on hear about, the author here suggest we put into practice. I did so not really realize that this sort of position makes it much more intriguing and you will experience legitimate full satisfaction. That book will be exactly what Iâ™ve already been waiting for now My partner and i gratefully content to are.
