# Berlin (Portrait Of A City)

## Synopsis

The spirit of Berlin: A photographic journey into the city's history — Berlin has survived two world wars, was divided by a wall during the Cold War, and after the fall of the wall was reunited. The city emerged as a center of European power and culture. From 1860 to the present day, this book presents the story of Berlin in photographs, portraits, and aerial views. More than a tribute to the city and its civic, social, and photographic history, this book especially pays homage to Berlin's inhabitants: full of hope and strength, in their faces is reflected Berlin's undying soul. — Text in English, French, and German

## Customer Reviews

It is great. The usual problem that some important photos are divided in two pages! (I can't find a solution to that anyway!) Lovely album (I expected it to be in larger format, but I am not sure it was mentioned)

A bit smaller than I expected
