Germany: A Guide To The Must-See Cities In Germany! (Berlin, Heidelberg, Frankfurt, Cologne, Munich, Hamburg, Dusseldorf, Leipzig, Dresden, Stuttgart, Germany Travel Guide)

Synopsis

Discover the best parts of the must-see cities in Germany. Learn the top sights and attractions before you travel with this comprehensive guide. Read on your PC, Mac, Smart phone, Tablet or Kindle device. Planning a trip to Germany? Congratulations! Whether it be for a short visit, long holiday or permanently, this European gem undoubtedly possesses some of the richest culture and most beautiful attractions in the entire continent, and provides a great trip away for any traveler. But are you prepared? To get the most out of any overseas trip, there is no doubt that you have to be well prepared and have some basic knowledge about your destination: where to go, what to see and what to do! Without this knowledge you will likely find yourself worried or stressed out, spending your valuable vacation time planning your next steps instead of relaxing or discovering new sights. In this book I'm going to give you the best tips and advice that will enable you to get through your German adventure smoothly, and help you to enjoy it to the fullest! I'll provide you with the essential sights and attractions for all of Germany's major cities, so that you don't have to waste any of your own time finding out what each city has to offer! You'll have the most concise, valuable guide book to Germany - its sights, its culture and its people - at your fingertips every step of the way. So what are you waiting for? Download your copy today! Take action now and enjoy the trip of a lifetime! Customer Reviews

This book was amazing and extremely informative. This book describes the best tips and advice that will enable you to get through your German adventure smoothly, and help you to have a great experience. The book also provides several essential sights and attractions for all of Germany's major cities, so that you don't have to waste any of your own time finding out what each city has to offer which is a huge time saver! Thank you Sam for creating such an awesome guide for Germany!

This book is superb! My friends and I are planning to spend Christmas in Germany next month so I decided to grab this book (honestly because I was first attracted by its cover). But there's more to that attractive cover, I love how Sam presented this book in a very organized way. Each chapter is composed of all the important information about every city plus some of the top places and things that you must do. That way, you wouldn't miss any beautiful place in Germany. You can surely maximize the experience and memories during your trip. I am planning to go to Dresden and Munich and I am very excited. I will surely bring this book!

I'll tell you first off, the best thing about this book is that it pays for itself almost immediately with the savings you can get. By following this guide, you will easily see the most interesting parts of Germany. The parts that you miss live (you can't see everything) will be covered in the book so you don't miss out. You can really tell that the author has been to Germany frequently and is sharing his best travel tips with you. He also makes it a point to educate you on what it means to be German, not just being a tourist who comes in and out. Thanks for the guide!

Places to stay, eat, and trendy areas to be in. At this price that it is offered at it is definitely worth the buy and since it is digital you can very easily just have it on your phone and pull it out whenever you want. Recommended.

When you travel to Germany this is the book to have in your iPhone. Use it as you visit the country's top cities and the author's choice of top ten sites within those cities. Mostly useful for the information

it provides.

For a traveller, the book gives recommendation on where in Germany to start and where to go next. It is written from an "insider's view, both with tourist attractions, but also what to do that only the locals know. I think this is key when travelling, because I always remember best the things that were not in the "normal" tourist guides.

Do you know how hard it is to plan a travel when you don't know anything about the country you are visiting and even more if you have little time to enjoy it. So this amazing travel guide is the perfect election for you. I have to go to Munich in the next couple of days and since I'm doing a 2 months travel around all Europe I don't have a lot of time to spend there, this guide will take you to the best places in the city for each day, you will be able to visit the most important places in town and you be completely organized for each day. Perfect if you don't want to miss a thing and don't have a lot of time for wandering around.

Just started reading the Kindle version and it states "One of which is the enchanted Neuschwanstein Castle. As the inspiration for the Disney movie Beauty and the Beast, it's even more magical than you can imagine!" But this is incorrect. It was inspiration for Disneyland's Sleeping Beauty Castle. Beauty & the Beasts Castle is in France.
