Customer Reviews

I have just completed reading this book and for the first time I know what coverage I have and what type of protection it provides! I took out my insurance policy and went over it step by step. What an eye opener this was. I highly recommend this book for anyone interested in knowing the truth. These guys really seem to be interested in helping others to understand their auto insurance. Not only is it simple to read, it was fun!

This is easily the worst purchase I've ever made from . At just 104 pages, AUTOMOBILE INSURANCE MADE SIMPLE is priced at \$0.19 a page. At this rate, the new Harry Potter would cost

\$150, and you're likely to find just as much worthwhile insurance information in THE DEATHLY HALLOWS as you will in this book. Not only is everything contained in AUTOMOBILE INSURANCE MADE SIMPLE common sense, outdated, or available online; the book is written for New Jersey citizens only - despite the fact that this is not prominently disclosed. Even New Jersey consumers will be wasting their time with this pitiful excuse for a "guide," since their state laws have recently been overhauled. Quite literally, this book is not worth the paper it's printed on.

nice book.also these days there are a lot online resources,like at [...]
