Carranza's Clinical Periodontology, 12e (Expert Consult Title: Online + Print)

Synopsis

The most definitive and widely used periodontology text for both the classroom and clinical practice, Carranza's Clinical Periodontology, 12th Edition includes the most current periodontal information – from basic science and fundamental procedures to the latest advanced techniques in reconstructive, esthetic, and implant therapy. Written by leading experts Michael Newman, Henry Takei, Perry Klokkevold, and Fermin Carranza, along with a pool of international contributors, this text not only shows how to perform periodontal procedures, it describes how to best manage the outcomes and explains the evidence supporting each treatment. Covering all the information found on the National Board Exams in the US, this edition is a perfect choice for dental education programs and students. The Expert Consult website includes the entire, fully searchable contents of the ebook, as well as a wealth of resources including a periodontal pathology atlas, videos, animations, case reports, PowerPoints, and more. NOTE: This title will be available ONLY on our new Expert Consult platform.; The current Expert Consult platform will be discontinued at the end of 2014. Customer Reviews

I love this edition and particularly its electronic version. The E version works so well with Inkling, which makes the reading a lot more enjoyable.

Truly excellent condition! I sincerely appreciate the "Expertconsult.com" code and the book appears brand new! Thank you so much!

Good good good good

Switch between reading and online makes the book practically useless
