# 100 Things To Do In Orlando Before You Die

## Synopsis

For most people who live in Orlando, summer is spent inside, in the pool, or at the beach. In the cooler months, you may go to a theme park now and again for a special occasion. But if that's all you do, you're missing out on some amazing attractions right here in our own backyard. *100 Things to Do in Orlando Before You Die* is a "bucket list" guide to a pantheon of Orlando activities. It features everything from behind-the-scenes tours at Disney World, to monster truck rides into an orange grove, to what is known as the world's fastest zip line, to a lighthouse tour where you can see the sun go down and the moon come up at the same time. So how do you know where to start? That's what this book is for, whether you are a local or a visitor to Orlando. Even if you've lived here your entire life, this book will help you discover why Orlando is Vacation Capital of the World.

## Customer Reviews

I happened to see this when I was surfing on and thought it was pretty cool. since I live in the Orlando area. Once I realized it was written John Brown - I had to get it! John Brown is a news anchor here on Good Day of Orlando on Fox. My husband and I marked the ones we have already done, and highlighted the ones we haven't done - so I suppose that's a bucket list for us! I've lived in Orlando all my life, and it was fun to go through the book and see things either I didn't know exist or things I knew existed, but had never gone to. It's a great book and would make a great present for a friend (you can make plans to do some of the things together) or even a family member! Love it! Go John Brown!

not a lot that is interesting

Living in Orlando 20 years. I see some things left out like Randall Made Knives Museum and Skycraft Parts & Surplus. I know this stuff is a guy thing but you know it's what makes up Orlando, FL.

This is awesome! Tried lots of them, especially The Canyons Zip Line & Canopy Tours in Ocala. I never would have found this amazing place without the help of this book!

Lots of things listed here that I had no idea existed. Looking forward to checking them out.
