# Lippincott's Review Of Pathology: Illustrated Interactive Q & A

## Synopsis

Featuring over 1,100 multiple-choice, clinical vignette-style questions, this Q&A book provides the most up-to-date, clinically relevant review of pathology. It helps medical students master the vast amount of pathology information they need to succeed on the USMLE, and serves as an excellent review tool for students in other health professions. Using the format of the National Board of Medical Examiners, the questions address the general and systemic pathology topics detailed in the highly-acclaimed textbook Rubin's Pathology: Clinicopathologic Foundations of Medicine. Correct and incorrect answers are explained in detailed rationales linked to clinical vignettes. Over 300 full-color images link clinical and pathologic findings. To give students practice for the computer-generated USMLE, the questions are also available online on our Connection Website.

## Book Information

Paperback: 336 pages

Publisher: LWW; 1 edition (August 14, 2006)

Language: English

ISBN-10: 078179580X

ISBN-13: 978-0781795807

Product Dimensions: 10.9 x 8.4 x 0.5 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 3.3 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #526,447 in Books (See Top 100 in Books) #64 in [Books > Textbooks > Medicine & Health Sciences > Alternative Medicine > Chiropractic](#) #107 in [Books > Textbooks > Medicine & Health Sciences > Dentistry > Dental Assisting](#) #124 in [Books > Medical Books > Dentistry > Dental Assisting](#)

## Customer Reviews

This book is the perfect study tool. it provides case studies and the answers and the reason for the answer!

There are a lot of questions but this book does a poor job of explaining mechanisms/reasons for why the wrong answers are wrong.

Book is terrible and not helpful for challenging exams. Provides the basic info that your teachers and professors won't ask. If you go to a challenging medical school don't buy. If your tests are straight

forward maybe it's a good buy.
