Customer Reviews

Once more DRS presents beautiful photos of the West, though some are cropped from already published pictures. For a low-cost look at Stoecklein's fine photography this is a good 'un. The Text is at about the level of a seven-year-old.

Cowboy Wisdom is an absolutely marvelous addition to any library, whether you are a lover of the "cowboy way" or the splendid beauty of America's heartland! The photos are spectacular and the "cowboy wisdom" is as relevant today as it was when the West was young. Kudos to the authors who put the photos and "wisdom" together to create a truly enjoyable coffee table book that readers of all ages can ponder and share for years to come.

I was very happy with this order. Came in quickly and was as great as I had hoped. I would order from this co. again.

I love the honest approach of the cowboy. Their ranches are run as businesses and ethics are a high priority. Good reading and good life lessons.
